**Would You Like A  
Dog or Cat  
In Your Home?**

**Who We Are:** **Pets on Wheels** is a nonprofit organization devoted to the permanent placement of shelter dogs and cats with individuals who desire and would benefit from having a four-legged companion, but require outside assistance to provide for a pet.

**Who We Serve:** Individuals who benefit from our services include: veterans, the elderly, individuals with disabilities, and the underprivileged. Prospective adopters are referred by a carefully cultivated referral network of social workers, faith-based organizations, rehabilitation centers, physicians, and other medical professionals.

**What We Offer:** Our 'Wheels of Service' includes careful screening of referrals to assess need, determine appropriate fit, and ensure successful placement.

**Our Assistance:**

- ⊗ Rescue shelter placement fee
- ⊗ Annual veterinary check-ups
- ⊗ Pre-authorized sick visits
- ⊗ Transportation of the pet if needed
- ⊗ Food & care maintenance (litter, heartworm meds)
- ⊗ Ongoing support to promote the continued success of the adopter-pet relationship\*

\*We encourage the recipient to provide their own support for the pet's welfare in any way they can.
